### Eriez-Australia Celebrates 50-Year Anniversary

Erie, PA—2016 marks 50 years of history for [Eriez-Australia](#). Since becoming an Eriez® affiliate in 1966, Eriez-Australia has grown to become a leading provider of processing equipment to Australia, Indonesia, Papua New Guinea, New Zealand, Fiji and other surrounding countries.

Eriez-Australia has a 21,000-square-foot manufacturing plant located in Epping, Victoria, Australia. This Eriez affiliate is primarily focused on [magnetic](#), [vibratory](#), [screening](#), [flotation](#) and [metal detection](#) equipment for mining and minerals beneficiation. Other areas of expertise include

tramp metal removal and materials handling for general industry and eddy current separation equipment for scrap and municipal refuse recycling.

In addition to its world headquarters in Erie, PA and the Eriez-Australia plant, Eriez has manufacturing facilities in [Brazil](#), [China](#), [Europe](#), [India](#), [Japan](#), [Mexico](#) and [South Africa](#). “Eriez-Australia is the company’s longest established continuing affiliate,” notes Charlie Ingram, Vice President of Sales and Marketing. “We are proud of the success we have achieved in Australia and look forward to working side-by-side with the extremely dedicated, experienced and talented team of people at Eriez-Australia for many years to come,” says Ingram.
